Primus Workforce – Building Reliable Teams for Every Industry

About Primus Workforce

Primus Workforce is a trusted staffing and recruitment agency headquartered in Edmonton, Alberta, Canada. We specialize in connecting businesses with highly skilled, safety-focused, and pre-screened professionals across Canada and Texas, USA. Whether your organization requires temporary workers, permanent employees, or complete workforce management solutions, Primus Workforce delivers reliable staffing services tailored to your business goals.

With years of industry experience, our team understands the importance of providing qualified professionals who are ready to contribute from day one. Every worker is carefully screened to ensure they meet industry standards, helping clients improve productivity while maintaining workplace safety.

Our mission is to make quality employment accessible for skilled professionals while providing businesses with dependable workforce solutions that support long-term success.

Our Services

Job Placement

Primus Workforce provides fast and reliable job placement services by matching employers with experienced, qualified, and job-ready professionals. Every candidate is carefully evaluated to ensure the right skills, experience, and attitude for each position.

Find Employees

Finding the right employees can be challenging. Our recruitment specialists source, screen, interview, and verify candidates so businesses can hire with confidence. We provide staffing solutions for both short-term projects and permanent positions.

Employer of Record (EOR)

Our Employer of Record (EOR) service allows international and local companies to hire employees in Canada without establishing a legal entity. We manage payroll, employment contracts, onboarding, compliance, benefits administration, and HR responsibilities, allowing businesses to focus on growth.
